**Subject:** FW: Lampson project support at EN

Bruce/Bill,

I want to join Energy Northwest (see email below) to thank you for your help on the project. I am 100 % in accord with ENW about the professionalism and support from your crews for the work executed at PFNW. Thank you again.

Perma-Fix:

EN wishes to pass along a "Thank You" to the day- and night-shift Lampson crews that support the condenser replacement project. Lampson performed its' work at EN with professionalism and teamwork, and in an efficient manner that did not result in any impacts to critical path schedule activities. Please pass along EN Project Management's recognition and appreciation to Lampson for a Job Well Done.

Thank you/David
